

Dear Judiciary Committee:

As an NRA certified instructor, chief range safety officer and law-abiding citizen, please do not allow Senate Bill 16 and House Bill 5416 to pass. These bills will restrict the 2A community even more and will not help one bit to stop the gun violence in the state. Law abiding citizens follow the laws and criminals don't. Please do not allow us to be restricted any further.

OPPOSE

Senate Bill 16

House Bill 5416
